NVR Ref:	Standard 6
IBI Ref:	IBI-2- C1
Statement	<p>The Institute seeks to continuously provide a high quality education and training environment that is safe, fair and free from discrimination, in which all are encouraged to strive for excellence and fulfil their potential. It is committed to implementing effective complaint resolution procedures that, where possible, are managed quickly, at the local level and with a minimum number of people involved. The resolution process will focus on a rapid re-establishment of good educational working relationships and positive outcomes.</p>
Rationale	<p>An essential part of developing that environment is ensuring that staff and students are encouraged to come forward with their complaints in the knowledge that the responsible staff members will take prompt and effective action to address complaints.</p> <p>Complaints and appeals that are not addressed have the potential to grow into major problems that can cause tension, low morale and reduced learning and academic achievement. Unresolved or poorly handled complaints can also lead to legal action against the Institute.</p> <p>The procedures aim to avoid blame and undue investigation. This policy applies to all students undertaking training in courses offered by the Institute as well as Institute staff and clients. All parties have the right to be accompanied and assisted by a support person in every relevant meeting they attend.</p> <p>In handling a complaint, whether formal or informal, confidentiality will be maintained to:</p> <ul style="list-style-type: none"> • Protect all parties involved in a complaint under the principles of natural justice • Prevent the possibility of a defamation or other legal action • Involve the minimum number of people possible

COMPLAINTS AND APPEALS Policy and Procedures

	<p>All students, staff are to be informed of the complaint resolution process.</p> <p>Despite all efforts of the Institute to provide satisfactory services to its students, complaints may occasionally arise that require formal resolution. The following procedures provide students the opportunity to have complaints resolved and resolutions reached.</p> <p>The Complaints and Appeals process does not remove the right of the appellant to take action under Australia’s Consumer Protection Laws.</p> <p>The objective is to:</p> <ul style="list-style-type: none"> • Develop a procedure for lodging an appeal against a decision made by the Institute’s Management in a complaints dispute • Develop a procedure for lodging an appeal against an assessment result • Assist clients and students with access to an appeal procedure and ensuring that appeal system is accessible and not unduly complex • Allow students access to an independent assessment review by an outside body with appropriate qualifications should the need arise.
<p>Scope</p>	<p>The following Procedure applies to all complaints and appeals of staff members and enrolled students. The complaint may be against another student/s and/or staff member/s. In certain circumstances, this Procedure may be used to deal with a complaint against a person who is not an employee or student, but who is involved in a training related activity.</p>
